**Première semaine de croisière,
entre Marseille et La Ciotat**

A photograph taken from the deck of a sailboat during sunset. The sun is a bright orange orb on the horizon, with its light reflecting on the water. The sky is a mix of orange, yellow, and blue. The rigging and sails of the boat are visible in the foreground, silhouetted against the bright sky. The overall mood is peaceful and serene.

**Entre la Croatie et les
Pouilles**

A scenic view of a coastline with a rocky shore, turquoise water, and a sailboat. The scene is framed by trees in the foreground. The water transitions from a deep blue in the distance to a vibrant turquoise near the shore. A small sailboat with two masts is visible in the middle ground. The rocky shore is covered with sparse green vegetation. The foreground is dominated by the dark, silhouetted branches of trees, creating a natural frame for the view.

Escale aux Tremiti

A photograph of a sunset over the ocean, taken from the perspective of someone on a boat. The sun is low on the horizon, creating a vibrant orange and yellow glow across the sky and reflecting on the water. The sky is filled with wispy clouds, some of which are illuminated by the setting sun. On the right side of the frame, the dark silhouette of a boat's mast and rigging is visible, extending from the bottom right towards the top right. The overall mood is serene and peaceful.
